THE TTS93 – perfect configuration at an impressive price.

Regardless of whether it is purchased alone or complete with one of our two premium tool sets, the STAHLWILLE TTS93 is the perfect partner for trade and industry alike. Includes many practical features and it comes at an impressive price.

Tool trolley 93/6 A

Product no. 81200154

€ 599.00*
instead of € 1,176.45

Central locking by means of cylinder lock with folding key. The anti-tilt feature makes it impossible to pull multiple drawers out simultaneously.

Oil and acid-resistant smooth-running wheels (Ø 125 mm) with fibre guards to protect the bearings from dirt and fibres; with two locking brakes.

All drawers are 100% extendable thanks to the full-extension runners. In combination with the STAHLWILLE standard TCS inserts or the variable drawer dividers, you always have a clear overview of the contents.

High static load capacity of up to 500 kg. The bottom drawer has a load capacity of up to 45 kg!

THE TTS95 PRO – compact and manoeuvrable tool trolley with innovative features.

The TTS95 PRO is the premium all-rounder, providing a wide range of highlights such as fully extendable drawers, a three-stage safety concept, and all-round impact protection with shock absorbers. The tightly welded and structured stainless steel worktop is particularly practical, since it is resistant to scratches and prevents liquids from penetrating into the interior of the trolley. Always handy: the paper roll and spray can holder. This model features a high static load-bearing capacity of 750 kg.

Tool trolley 95/7 A PRO

Product no. 81200163

€ 729.00*
instead of € 1,658.00

Three-stage safety concept:
Central locking with recessed cylinder lock located on the side. Together with the folding key, this provides protection against injuries and damage. The individual locking mechanism prevents unintentional opening during movement – the anti-tilt protection makes it impossible to pull out multiple drawers simultaneously.

100%

All drawers are 100% extendable thanks to the full-extension runners. In combination with the STAHLWILLE standard TCS inserts or the variable drawer dividers, you always have a clear overview of the contents.

Oil and acid-resistant smooth-running wheels (Ø 125 mm) with fibre guards to protect the bearings from dirt and fibres; with two locking brakes.

TTS98 PRO – Spaced out.

For those who want – and need – more. Compared to the TTS93 and TTS95 PRO models, the TTS98 PRO offers a 100% larger drawer volume in premium quality. A high static load-bearing capacity of 1,400 kg, a tightly welded stainless steel worktop and many other features leave no room for compromise – but all the more for tools. Including paper roll and spray can holder and all-round impact protection strips with wrap-around bumper.

Tool trolley 98/7 A PRO

Product no. 81200169

€ 1,149.00*
instead of € 2,356.00

Three-stage safety concept:
Central locking with recessed cylinder lock located on the side. Together with the folding key, this provides protection against injuries and damage. The individual locking mechanism prevents unintentional opening during movement – the anti-tilt protection makes it impossible to pull out multiple drawers simultaneously.

Oil and acid-resistant smooth-running wheels (Ø 125 mm) with fibre guards to protect the bearings from dirt and fibres; with two locking brakes.

In comparison with the Model TTS93, Tool Trolley 98VA offers 100% more drawer capacity.

THE WB625 WORKBENCH – Think big!

115 cm of room for lots of premium tools!

With its seven extra-wide drawers, our new workbench WB625 provides a maximum amount of storage space and is also extremely durable. Particularly comfortable: the birch multiplex worktop with a working height of 104 cm. Includes an individually adjustable paper roll holder for paper rolls up to 30 cm wide.

Workbench WB 625

Product no. 85010625

€ 1,149.00*
instead of € 2,340.00

104
cm

Only from STAHLWILLE: Worktop height of 104 cm for comfortable working. The sturdy construction and the birch multiplex worktop provide the durability that is typical of STAHLWILLE.

Three-stage safety concept: Central locking with recessed cylinder lock located on the side. Together with the folding key, this provides protection against injuries and damage. The individual locking mechanism prevents unintentional opening during movement – the anti-tilt protection makes it impossible to pull out multiple drawers simultaneously.

XXL

Everything in XXL. The seven removable drawers with full extension and a width of 880 mm provide lots of storage space. The multiplex worktop is not only extremely large (1150 x 500 x 30 mm), but is also FSC-certified.

THE NEW WORKBENCH WB 630 –

High performance meets powerful features!

The BIG one! The WB 630 not only has a particularly sturdy design, but with a width of 200 cm it also offers a particularly large work surface. It also impresses with a comprehensive range of features that make it the perfect partner for work in trade and industry.

Available from
June 2025!

NEW

Workbench WB 630

Product no. 85010630

€ 799,00*
instead of € 1,589.00

Incl. holder for TOP
BOX – optional extra.

Height adjustable
in 25 mm
increments.

1000
kg

With a static load bearing capacity of 1,000 kg and a 3 cm thick, FSC-certified wooden top with a width of 200 cm of rubberwood, the WB 630 is also ideal for the 'heavy jobs'. The individual height adjustment ensures back-friendly work. This means that workshop trolleys do not fit under the workbench.

The WB 630 simply offers more. No matter whether perforated rear panel for attaching tools, spray can and paper roll holders, EU triple socket with two USB ports, two rubberised cable grommets, height adjustment in 25 mm increments on the legs (up to 30.5 cm) or levelling feet for precise alignment of the workbench. Everything is included here.

The lockable drawer with internal dimensions of 530 x 350 x 74.5 mm for sufficient space and is TCS-compliant. Thanks to the telescopic full-extension runner with ball cage guide it can be pulled out smoothly and completely - for maximum convenience and quick access. The drawer can be mounted on the left or right, as can the TOP BOX bracket.

XXL

Stationary or mobile tool storage? Simply both. The workbench offers an integrated holder that can be installed on the left or right holder for the optional STAHLWILLE TOP BOX. This provides plenty of space for tools and can also be mounted on the TOP BOX caddy (optional extra) and on the STAHLWILLE TTS93 workshop trolley.

TORQUE WRENCH – precision made in Cronenberg.

Wheel-change set
721QR/20/3/1 Quick

The 5-piece wheel change set comes in a sturdy and practical plastic case that accommodates all of the most important tools for changing a wheel in one set.

- Torque wrench with a measuring range of 40–200 N·m
- Permanently installed 1/2" ratchet and QuickRelease safety lock
- Special plastic coating protects the alloy wheels, wheel bolts and wheel nuts
- Colour-coded to make it quicker to find the right size

Product no. 96507214

€ 298.00*

instead of € 626.61

No resetting to "0"

Unlike conventional torque wrenches, resetting to "0" to release the spring is not necessary.

1/2" IMPACT socket set
51IMP K/3

3-piece wheel nut socket set with colour coded plastic sleeves, gentle on rims, in plastic case. Contents: 17 mm (green); 19 mm (blue); 21 mm (red).
Product no. 96838103

€ 35.90*

instead of € 73.31

RATCHETS – specially designed for heavy loads and efficient working. Whilst maintaining reliability.

Telescopic ratchet 1/2"
516

- 5-fold adjustable shaft, 410, 465, 520, 575 and 630 mm
 - Robust 36-tooth ratchet drive, Working angle 10°
 - Maintenance-free, durable slide bearing
- Product no. 13160000

5 adjustable locking positions

€ 81,90*

instead of € 148.09

The length can be adjusted conveniently and even with one hand in 55 mm increments (410 mm, 465 mm, 520 mm, 575 mm and 630 mm) using the rocker switch.

The robust ratchet has 36 teeth, and is manufactured in accordance with DIN 3122/ISO 3315.

The extension operates using maintenance-free slide bearings and stop protection, operates quickly and safely and is extremely durable.

The clockwise and counter-clockwise change-over switch is slightly recessed. This avoids accidental switching during use.

Ratchet set
1/4" + 1/2"
415QR/512QR

2-piece QuickRelease fine tooth ratchet set with 1/4" and 1/2" drive.

- Eighty teeth provide a ratchet angle of only 4.5° – facilitating efficient working in confined spaces.
- STAHLWILLE QuickRelease is the only locking system that locks every single item in the tool chain - from the ratchet, the extension, universal joints to the socket.

Product no. 91336421

€ 96.00*

instead of € 190.37

*Recommended retail price, valid until 28.02.2026. Only for participating dealers and while stocks last.
